Phonics Centers Pack

Lesson 16: Bob the Dog (-og)

Print on card stock and laminate. Cut along the dashed lines.
Every activity uses this lesson's words.

In this pack:

Word Family Houses

Sort the word cards into the house with the matching ending.

Clip the Word

Look at the picture. Clip a clothespin on the word that matches. Flip the card or use the answer key to check.

Roll and Read

Roll a die. Read a word in that column. Cover it with a counter. Take turns and see who covers the most words.

Word and Picture Puzzles

Match each picture piece to its word piece. The cut edges only fit the right pair.

Spin and Cover

Spin the spinner (paper clip and pencil). Read the word and cover it on your board. First to cover every word wins.

Real or Silly Words

Read each card. If it is a real word, put it in the Real pile. If it is a made-up word, put it in the Silly pile.

Phonics Four in a Row

Take turns. Read a word and cover it with your color of counter. Get four counters in a row to win.

Phonics Dominoes

Lay the dominoes in a loop. A picture must touch its word. The last domino goes back to the first.

Change One Sound

Start with the first word. Change the first sound to the letter in the circle and read the new word. Write each new word on the recording mat.

Sound Box Challenge

Say the picture word slowly. Write one sound in each box, then write the whole word on the line.

Read, Build, Write

Read the word. Build it with the letter tiles. Write it on the line. Cut out the tiles on the second page.

Missing Middle Sound

Look at the picture and say the word. Clip the clothespin on the vowel that is missing from the middle.

Word Hunt

Hide the word cards around the room. Hunt for a card, read it, and place it under the matching picture on the mat.

Word Family Wheels

Cut out the cover and the wheel. Fasten the centers together with a brass fastener. Turn the wheel to read each word.

Phonics Memory Match

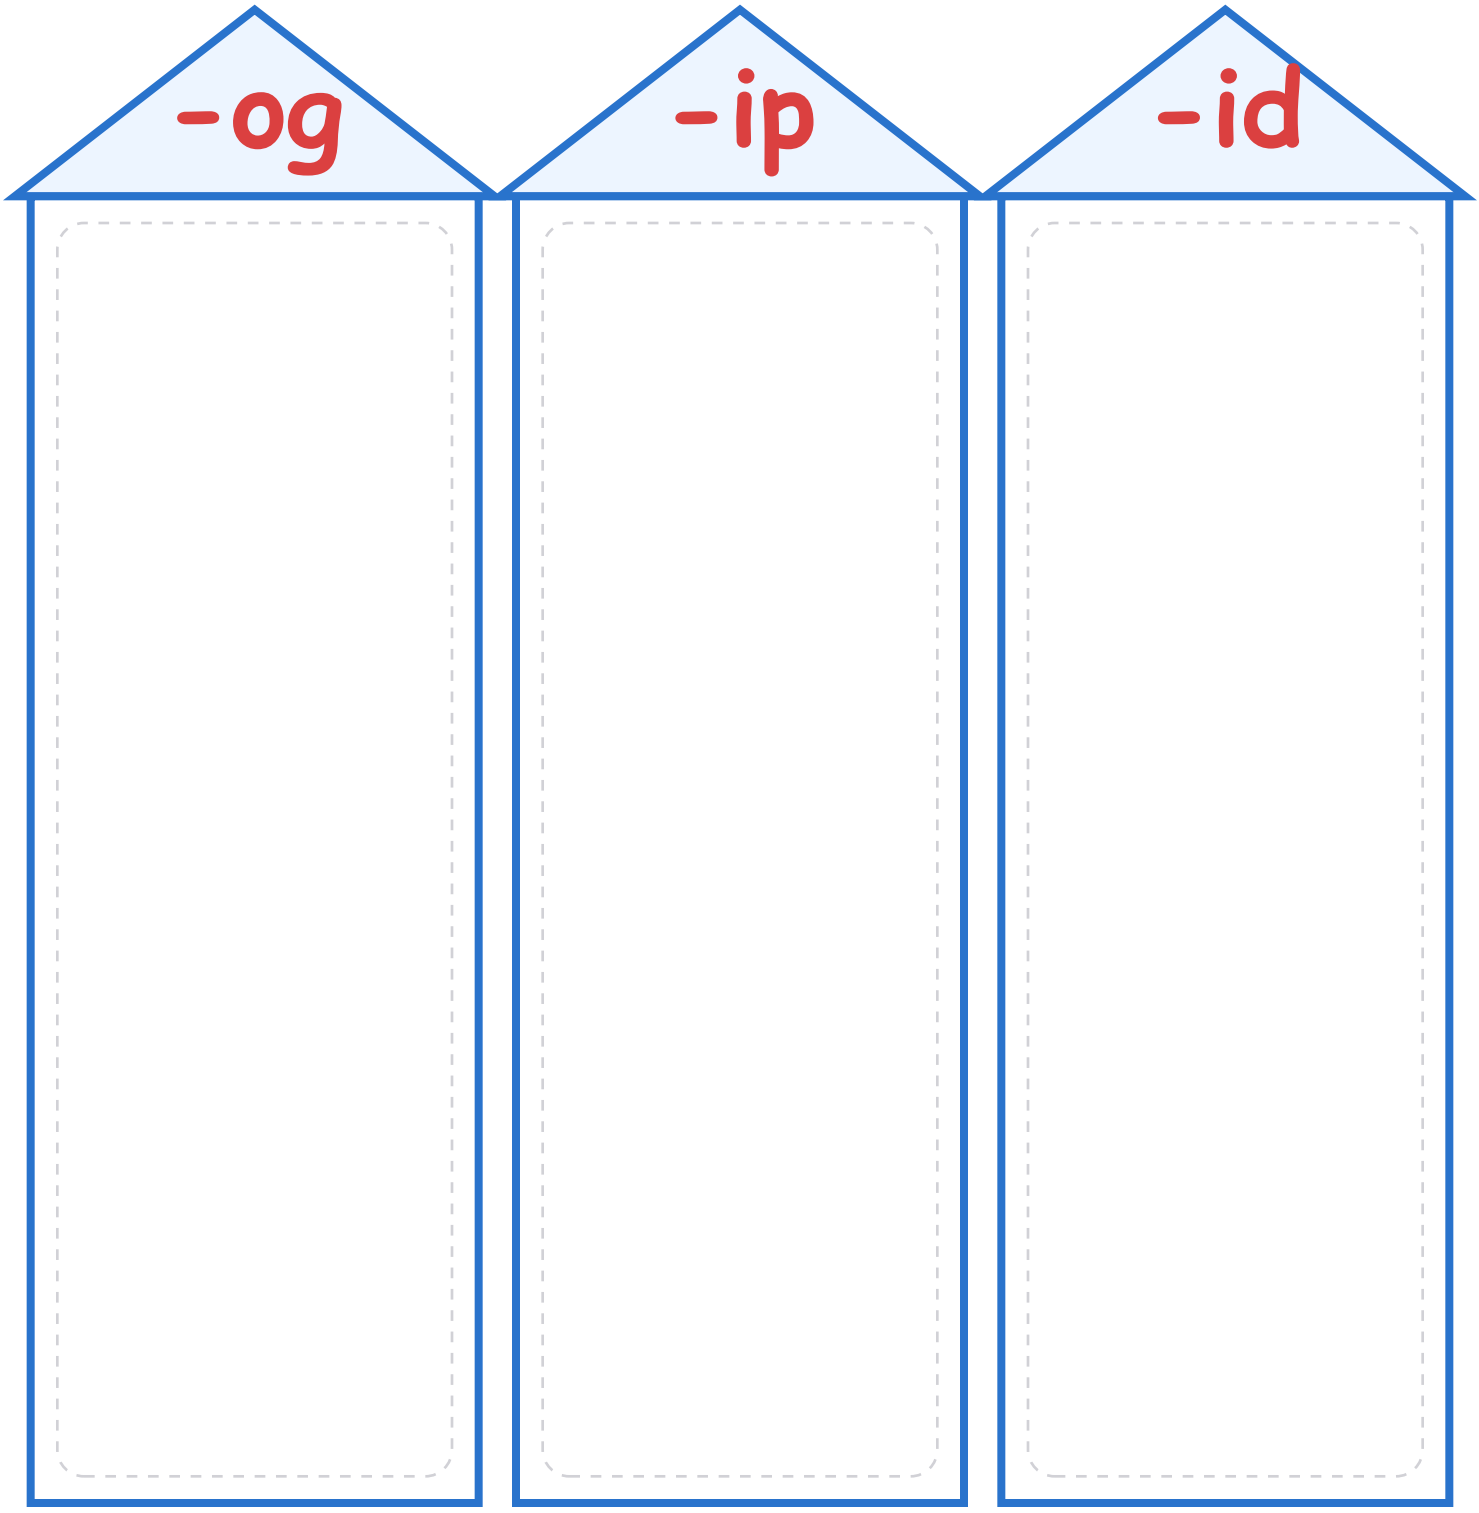

Lay all the cards face down. Turn over two cards. If a picture matches its word, keep the pair.
