Write the Room

Long I · i says its name

How to play

1. Cut out the 10 picture cards and tape them around the room.
2. Give each child a recording sheet and a clipboard.
3. Children walk around and find each picture. They say the word slowly, sound by sound.
4. They write the word beside the same number on their sheet.
5. When they have all 10, they read their words to a partner.
